Introduction

Regulations based on the Organisation for Economic Co-operation and Development's ("OECD") Common Reporting Standard ("CRS") require Bank Saderat Iran ("BSI") to collect and report certain information about an account holder's tax residence. Each Jurisdiction has its own rules for defining tax residence, and Jurisdictions have provided information on how to determine if you are resident in the Jurisdiction on the following website:

<http://www.oecd.org/tax/automatic-exchange/>

If the Account Holder's tax residency is located outside the U.A.E., we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to the National Tax Authorities and this may then be shared with tax authorities of different countries.

This form will remain valid unless there is a change in circumstances relating to information. If your circumstances change and any of the information provided in this form becomes incorrect, please let us know immediately and provide an updated self-certification.

Where the Account Holder is a Passive NFE, or an Investment Entity located in a Non-Participating Jurisdiction managed by another Financial Institution, Please provide information on the natural person(s) who exercise control over the Account Holder (individuals referred to as "Controlling Person(s)") by completing a "Controlling Person tax residency self-certification form" for each Controlling Person. This information should be provided by all Investment Entities located in a Non-Participating Jurisdiction and managed by another Financial Institution.

If you are filling this form on behalf of someone else, please ensure that you let them know that you have done so and tell us in what capacity you are signing under "Declaration and Signature". For example, you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a power of attorney.

If you are a U.S. citizen or tax resident under U.S. law, you should indicate that you are a U.S. tax resident on this form and you may also need to fill in an IRS W-9 form.

This form is intended to request information consistent with local law requirement. As a financial institution, we are not allowed to give tax advice.

SUMMARY DESCRIPTION OF DEFINED TERMS

These are selected summaries of defined terms provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the "CRS"), the associated Commentary to the CRS and domestic guidance. This can be found at the OECD automatic exchange of information portal.

If you have any questions then please contact your tax advisor or domestic tax authority.

"Account Holder" the terms "Account Holder" means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an intermediary, or as legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

"Controlling Person" This is a natural person who exercises control over an entity. Where an entity Account Holder is treated as a Passive Non-Financial Entity ("NFE") then a Financial Institution must determine whether such controlling persons are reportable persons. This definition corresponds to the term "beneficial owner" as described in Recommendation 10 and the interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). If the account is maintained for an entity of which the individual is a controlling Person, then the "Controlling Person Tax residency self-Certificate" form should be completed instead of this form.

"Depository Institution" means any Entity that accepts deposits in the ordinary course of a banking or similar business.

"Custodial Institution" means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. This is where the Entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

"Entity" the term "Entity" means a legal arrangement, such as a corporation, organization, partnership, trust or foundation.

"Financial Account" A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities, Cash Value Insurance Contracts; and Annuity Contracts.

"Financial Institution" means a "Custodial Institution", a "Depository Institution", an "Investment Entity", or a "Specified Insurance Company". Please see the relevant domestic guidance and the CRS for further classification definitions that apply to Financial Institutions.

"Participating Jurisdiction" A Participating Jurisdiction means a Jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the common Reporting Standard and that is identified in a published list.

"Reportable Account" The term "Reportable Account" means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

"Reportable Jurisdiction" A Reportable Jurisdiction is a Jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.

"Reportable Person" A Reportable Person is defined as an individual who is tax resident in a Reportable Jurisdiction under the tax laws of the Jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

"TIN" (including "functional equivalent") The term "TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a Jurisdiction to an individual or an Entity and is used to identify the individual or Entity for the purpose of administering the tax laws of such Jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal.

Some Jurisdictions do not issue a TIN. However, these Jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "Functional Equivalent"). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code number, and resident registration number.

"Active NFE" An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:

- Active NFEs by reason of income and assets;
- Publicly traded NFEs;
- Governmental Entities, International Organizations, Central Banks, or their wholly owned Entities;
- holding NFEs that are members of a nonfinancial group;
- Start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- Treasury centers that are members of a nonfinancial group; or

- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) the NFE is not yet operating a business and has no prior operating history, (a “ start-up NFE”) but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the NFE meets all of the following requirements (a “non-profit NFE”) :
 - i. it is established and operated in its Jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its Jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;
 - ii. it is exempt from income tax in its Jurisdiction of residence;
 - iii. it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - iv. the applicable laws of the NFE’s Jurisdiction of residence or the NFE’s formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE’s charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
 - v. the applicable laws of the NFE’s Jurisdiction of residence or the NFE’s formation documents require that, upon the NFE’s liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organization, or escheat to the government of the NFE’s Jurisdiction of residence or any political subdivision.

Note: Certain entities (such as U.S. Territory NFFEs) may qualify for Active NFFE status under FATCA but not Active NFE status under the CRS.
